SIXTY APPLY SCHOOL PRINCIPAL TO ENTER HIGHER INSTITUTION

Sixty alumni of the Moline high school have applied through Principal E. P. Manning to enter college or university this year. This information was given out in the Lane O' Type, the school publication. The number is unusually large for the school, but a large part of it represents young men who have entered the students' training schools of this city.

The majority of the students enrolled in the higher institutions have taken up their work at Augustana of the University of Illinois. Following is the list of those who have applied through the school principal.

- Augustana college—Wallace Swanson, Barbara Gust, Phyllis Chapman, Clarence Waldgren, Willie Kuchman, William Peterson, Selma Goshen, Dorothy Persberg, Florence McCallin, Kenneth Conroy, Harold Freeman, Paul Johnson, Harry Lamm, Paul Becker, Edna Brown, Edward E. York.
- Illinois Wesleyan—Edwin Godbold, Harvey Bailey, Donovan Tago, Lloyd Tegner, Mabel Garret, Russell Wharton, Frances Plankner, Eugene Johnson, Melvin Madsen, Glenn Park, Alfred Butler, Robert Odgers, Edith Young, Fred Loven, Dorrell Trowbridge, Kenneth Shaker, Kenneth Hill, Erik Erikson, Robert Ellis, Merly Abbott, Russell H. Johnson, Harold S. Johnson, John Stone, and Walter Plankner.
- Northwestern—Mabel Eley, Margaret Richards, Harold McKelvey and Helen Broom.
- Cornell—Albert Crampton and William Kiel.
- Midigan—Hjalmar Hanson and Harold Wood.
- Missouri—Berkeley Fielder, Yala—Alan Cooper.
- Y. M. C. A. college—John Burtchell.
- Durham university—Dorothy Ransom.
- Illinois Wesleyan—Clarence Rohrer.
- Wisconsin—Steve Anderson and Elizabeth Verma.
- Iowa—Gladys Abel.

Obituary

Carl E. Tubbs.
Carl E. Tubbs, infant son of Mr. and Mrs. Robert Tubbs, died in his home, 4233 Eleventh avenue C, Silvis, at 4 o'clock this morning. The baby was born in Moline Jan. 15, 1918.

Funeral of Patrick J. Riley.
Funeral services for Patrick J. Riley were held in St. Mary's Catholic church, East Moline, at 8:15 this morning. Rev. Father Van Steppan was in charge. Interment was in St. Mary's cemetery.

PACKETS IRRESPONSIBLE!
"The Chicago packets should be pulled and locked up in Waterville hospital. They are taking bread from the mouths of soldiers and suffering babies and mothers of the fighting line," said Kate R. Harris, a local woman, who spoke at Turner hall, Moline, last evening. Mrs. Harris, who has been convicted on charges of violating the espionage act and is now at Liberty pending an appeal, spoke on "Espionage." That is what she called it.

"I can't figure on espionage," she said. "I can't talk about sociology or the war, and I can't talk about religion and quote from Christ. They will have me in the calabos in a few minutes. I am going to write from a book on 'Espionage' written by Dr. William White of Johns Hopkins university. She declared that procedure.

INFLUENZA IN ALL BUT 13 CAMPS OF ARMY IN COUNTRY

Washington, Sept. 27.—Spanish influenza sweeps through all but 13 of the army camps and apparently begins to take on epidemic proportions in many communities has caused a tremendous burden in the health rate of the army at home. For the week ending Sept. 26 the surgeon general's office reported today the death rate was 1.4 per cent higher than in the week ending the preceding week. This increase was attributed in large measure to influenza, but the report pointed out that the figures do not show the seriousness of the situation as such last Friday there had been a further rapid spread of the epidemic, with many deaths.

While the epidemic heretofore has been prevalent chiefly near the Atlantic seaboard, the surgeon general's office said it may be expected to sweep westward with a still greater increase in mortality in the next few weeks.

Orders issued last night by Provost Marshal General Crowder cancelling calls for enlistment of 182,000 draft registrants between Oct. 7 and 22 were due to the serious conditions in many camps and were said by health officials to be absolutely necessary at this time. Unless the disease obtains an unexpected foothold in sections not previously affected, however, it is believed here that the next few days may show a decided improvement.

HALF ACCOUNTS ARE COLLECTED

Canvassers' Efforts Yield Majority of Delinquent List of Community War Chest.

Over one-half of the amount of delinquent accounts on the community war chest list was collected by workers during the last week. Incomplete returns show that \$1,917.75 has been collected by canvassers on delinquent accounts, this report being made at the closing hour yesterday noon. The sum of \$1,880.14 was paid directly into the office of Mrs. Berghild J. White, secretary of the organization.

On Sept. 1, when the campaign was put into operation an aggregated amount of \$26,440.49 was found to be unpaid. Workers solicited the subscribers, and their untiring efforts show that only \$12,662.69 remains in the delinquent list. Many subscribers who have joined the cause have been dropped.

Canvassers report the following amounts collected by each committee:

No. 1, L. S. Wines, \$129.55.
No. 2, J. F. Harper, no report.
No. 3, H. S. Ransom, \$137.
No. 4, Robert Wood, \$161.25.
No. 5, E. E. Hodes, \$160.40.
No. 6, Theodore Weigandt, \$24.
No. 7, F. L. Sherman, \$43.
No. 8, H. H. Thomsen, \$92.75.
No. 9, H. E. Lundt, \$122.53.
No. 11, Morris Horstmann, \$27.10.
No. 12, Frank Haynes, \$58.59.
No. 13, R. S. Woodburn, \$82.
No. 14, C. E. Mitchell, no report.
Boy Scouts, \$8.25.
Delinquent factory men paid \$532.25.

GIVE PROGRAM AS FEELER FOR CITY LECTURE COURSE

In order to feel the pulse of the public of East Moline relative to the establishment of a community extension course, John W. Gusto, principal of the East Moline high school, will deliver an address the evening of Oct. 4 at the high school auditorium. If the public responds to this invitation the principal will set on a full course of lectures and entertainments entirely free to friends, patrons and the general public. It is felt that the war situation makes it necessary for the community to find its compensation in the things it can do for itself, hence the school will undertake to put on, under the auspices of the school board, the necessary program to awaken and keep up a live interest in the school and community at large. The course will consist of lectures, traveltips and materials.

ABANDON RECALL OF COMMISSION FORM

Moline will not vote for the recall for the administrative form of government in this city at the November election, according to Frank Watt, chairman, and M. R. Pearson, secretary of the organization which backed the proposition and sought to abandon the present form of government.

A sufficient number of signatures to the petition was secured for a misunderstanding in the election laws is responsible for the latest report. Friends of the organization still contend that the commission form of government will be voted on by Moline citizens, and that it will again be brought up in the spring primaries. It is too late now for the fall election.

In explaining the downfall of the proposition, Pearson says:

"We discovered that the city clerk could hold the petitions for five days for the purpose of examination. And after that the city commission has from 40 to 60 days to put the proposition on the ballot. Well, 29 days would bring us down to after the November election."

"Many of our leaders have gone to war," intimated Watt.

MUST HAVE ORAL CONSENT OF DAD TO GET LICENSE

G. C. "Gunnle" Strandlund and Verna North attended the Moline high school together. They were paid. The wedding was set for 8 o'clock last evening. Carl G. Strandlund, father of Gunnle and designer at the Deere & Co. plant, who is now in Colorado, left a written consent to the marriage of his son, who was but 20 years of age. All was well until it came time for the marriage license.

The clerk at the Rock Island county court house was not satisfied with the written consent of the father, or the written signature of two witnesses to the statement. That didn't bother the young couple. They journeyed to Davenport and there obtained the papers. Rev. A. E. Lundberg of Moline was to perform the ceremony at 8 o'clock.

Ad 7-45 friends notified the couple that a license issued in Scott county means a marriage in that county. As the couple were to be married at the Calvary Baptist church and there Rev. Ralph Morphet officiated.

BOARD TO ENTRAIN NINETY MEN OCT. 8

Ninety men will be entrained from the district under the Moline exemption board jurisdiction for Camp Grant on Oct. 8. It was previously announced that this increment of men would leave between the dates Oct. 4 and Oct. 7. They will be taken from the list published several days ago.

Orders for the entrainment of men for Camp Dix, N. J., have not been received as yet.

CHANGE STOCK ON SAME BASIS

Announce Terms Under Which Stephens Family Disposed of Plow Company Interests.

Announcement of the terms under which the Stephens family disposed of its interests in the Moline Plow company was made public today in a letter to stockholders which also announces that all other stockholders will have the same opportunity of disposing of their interests in the Plow company as did the Stephens.

A cumulative dividend of 7 per cent will be received for Plow company common stock. According to the letter the Stephens interests exchanged their interests on the following basis:

Stock of the Willys-Overland company, 55 per cent.
The Electric Auto-Lite corporation, 30 per cent.
The Curtiss Aeroplane Motor corporation, 15 per cent.

"We have satisfied ourselves that these stocks are good," said G. A. Stephens, retiring president of the Moline Plow company. "The controller of the plow company has prepared a condensed balance sheet of these companies July 31, 1918. The business of these companies closes Dec. 31, each year."

"The Stephens family has arranged with the purchase of their stock that the opportunity is offered to all holders of Plow company stock to exchange their stocks for the above stocks in the proportion as above mentioned and to receive above stocks at the ratio of one and a half for their common stock."

"We are advised that the policy of the new management will be not to pay cash dividends on the common stock for a number of years in order to permit the improvement of the plants to take care of the largely increased output and the building up of a sufficient reserve fund to safeguard this extended business."

REPORT 100 PER CENT IN BUYING BONDS AT HOUSE

Seventeen employees of the Rock Island freight house at Moline showed their patriotism when they netted 100 per cent just eight minutes after the McAdoo loan cards were distributed in Moline. This station was the first in the Illinois division to hand in a report to its headquarters. All other stations are expected to return the same 100 per cent report.

"The Moline freight office went 100 per cent in the third Liberty loan and is ready for the fifth if need be to put the real bill on Kaiser Bill," said F. C. Hall, freight agent of the Moline station, today.

Holders of common stock of the Moline Plow company, who wish to make the exchange have been asked to send their stocks to the Moline Plow company or the Peoples Savings Bank & Trust company immediately.

40,000 MEN IN EAGLE

Louisville, Ky.—Forty thousand officers and men representing every branch at the Camp Zachary Taylor cantonment will pose for a photograph outlining an American eagle with wings spread, and holding in its talons a waving American flag. The picture will be "shot" by experts from a 72-foot tower, and three days will be required to chalk it out. It will measure some 600 feet from wing tip to wing tip.

MOBILE DOCTORS GET RANKS IN ARMY

Two Moline men and one East Moline man received commissions in the medical corps of the United States army, according to the list of commissioned officers issued by the war department at Washington this morning.

Dr. Eylan Sargent of Moline has received the rank of captain in the medical corps, Dr. Perry H. Wosner of Moline has been commissioned a first lieutenant and Dr. Henry E. Randolph of East Moline and who is a physician at the Waterville state hospital, also has been commissioned as first lieutenant.

WAR NO TEA PARTY WITH AMERICA IS VIEW OF GOMPERTS

Paris, Sept. 27.—"I see that a German official says we are the most bellicose of all," said Samuel Gompers, president of the American Federation of Labor, at a luncheon at the American club yesterday.

"Well," Mr. Gompers continued, "what did we get into it for? Did they expect to have a tea party with us as the invited guests?"

"Those who have lived by the sword must be destroyed by the sword. I do not regret that the war has come, for never otherwise could the democratic nations have become so thoroughly united."

Mr. Gompers' speech was received with intermittent outbursts of applause. His war aims were characterized by Walter Berry, former judge of the international court of first instance at Cairo, as "the Gompers' peace, which is inevitable."

NEW ORDINANCE ON BILLBOARDS AGAIN DECIDED

A new ordinance has been proposed as a means to settle the question pending for some time between the city commission and objectors to Moline's new billboard ordinance.

According to the latest revision of the proposed ordinance those desiring to erect billboards must get the consent of property owners in that block and on both sides of the street, if one-half of the structures in that block are devoted to residence purposes. In the previous ordinance, nothing was said of the nature of the buildings in the block of the proposed billboard.

The new ordinance proposes that a maximum fee of \$2 be charged for each board, instead of the \$25 tax on all boards. Boards are to be 15 feet from the ground. The first ordinance proposed 14 feet. There will be three, and a half feet allowed for clear space between the ground and the board, the old measure specifying four feet.

The new ordinance will be brought up before the city council at the meeting Monday, at which time further objections will be heard.

WOULD CRUSH MILITARISTS.

New York, Sept. 26.—The Vigilantes, an authors' organization, issued an appeal for an authoritative statement that the country's war aims included the extinction of the German militaristic autocracy.

CROWDS ATTENDING MISSION SERVICES

An interesting sermon on the "Gateway of Eternal Life," by Rev. J. R. Rosswinkle, was heard by nearly one thousand in attendance at the mission services at St. Mary's Catholic church last evening. Mission services have been in progress at this church since Sept. 22 and will continue until Sunday, conducted by Rev. T. C. McKeogh and Rev. J. R. Rosswinkle.

"Death is the echo of life. Universal experience, the experience and common sense teach us that as a man will live so he will die. There is no wonderful transformation at death or immediately before death. Only a good Christian life can assure a hold and favorable death," said Rev. Father Rosswinkle last evening.

BRUISED BY ACCIDENT.

Miss Emily Youngquist, 462 Forty-eighth street, Moline, was seriously bruised when a machine driven by F. D. Loyola, East Moline, postmaster, knocked her down at Fifth avenue and Fifteenth street, Moline, Wednesday evening.

WHAT BOOZE CAN DO.

Booze, according to Moline police caused the arrest of Horace Jasper Brown of Port Byron, bruised a Frank DeClerk, and damaged to an automobile owned by Frank Newstrom.

Brown is alleged to have driven his machine into the rear end of Newstrom's car, in which the owner and DeClerk were riding, last evening. The accident occurred a Fifth avenue and Fourteenth street. Brown's case has been continued until Oct. 4.
